Primary Teaching Resources

ART & DESIGN

Subjects: Art & Design **Topics:** Mixed Media **Ages:** KS1 & KS2

Using the Paddington portraits as inspiration, ask your pupils to create their own portraits using a mix of media.

Key Stage 1

Using sponges to make a paw effect, create artwork for 32 Windsor Gardens. This can be of Paddington, or simpler artworks such as a bouquet of flowers.

Lower Key Stage 2

Using collage, create a portrait of Paddington.

Or, if you've already visited the Experience, use junk modelling or other modelling materials to design and create your very own Marvellous Marmalade Machine.

Upper Key Stage 2

In the style of an artist or style you're researching, create Paddington portraits.

CUBISM

IMPRESSIONISM

POP ART

STREET ART
