

Paddington's Lessons in Kindness

Notes for teachers

Subjects: PSHE

Topics: British Values (tolerance & mutual respect)

Ages: KS1 & KS2

This assembly is suitable for all key stages and aims to prompt discussion around kindness and what it means within your school or class context.

There are accompanying resources and a Kindness Certificate to use following delivery of the assembly that aims to teach children to recognise kindness within themselves and others. This will look different for every child but are designed to be accessible and inclusive.

The assembly can also be used as a standalone PSHE lesson in line with your PSHE curriculum and can take the form of paired/group discussions, debates and written exercises.

What does kindness mean?

Paddington arrived in London from Peru.

**How might he have felt?
Why?**

Talk to your partner.

Paddington arrived in London from Peru.

How could people show kindness to him?

How do we show kindness in this school?

Kindness Certificate!
